COUNTY IMPROVEMENT SOCIETY

Was Organized at the County Grange Plonic Held In Canfield.

Notwithstanding the busy time for farmers, more than one thousand people attended the annual picule of Mahoning county granges last Saturday on the Canfield fair grounds. The crowd came early and remained late. It was very noticeable that many of the farmers brought their families in automobiles; in fact, there seemed to be more machines than rigs on the grounds. The Greenford Cornet Band furnished excellent music, doing much to add to the pleasure of the occas-

The morning business session was called to order by Pomona Master C. S. French of Salem and several matters of importance were discussed and disposed of. Among other things it was decided to hold the next Pomona meeting with Greenford grange some time in October, the date to be fixed later. Immediately following the close of the grange conference a meeting was called for the purpose of discussing the matter of securing county agent for Mahoning county and organizing a County Improvement Association along the same lines that have been adopted in Portage county. The idea is to employ an expert in farm matters who will devote his entire time to improving farming conditions in all parts of the county. An organization was effected by electing park. James M. McKay of Boardman township president, and H. C. Heintzel-man secretary. A vice president was elected from each township to act as chairman of the membership committee in each township. A. B. William. son of Canfield, C. A. Cover of Berlin Center and M. L. Beard of Beaver township were chosen as a committee to draft a constitution and by-laws for the association. The meeting adjourned to as semble at the call of the preside at. A sumptuous basket

dinner was enjoyed at noon.

At the afternoon session Rev. Richard Gerberding of Youngstown gave an interesting address as did C. B. Wade of Burg Hill, Trumbull county. Mr. Wade is a breeder of thoroughbred cattle and takes a lively interest in agricultural matters in general, Mr. Halverstadt of Columbiana county, long prominent in grange affairs, also talked entertainingly. The Dublin Grange Ladies' Quartet delighted all with vocal music. The prize of \$5 for the grange having the largest percentage of membership in attendance was captured by Dublin grange which is now one of the largest and most active in the county. Dublin Juvenile Grange, No. 28, made a fine showing at the picnic. The day will long be pleasantly remembered by all who were present to enjoy the occasion.

Well Known Young People Married. At three o'clock Wednesday afternoon the marriage of Miss Helen Lee, of North Benton, and James A. Dickson, a member of the Mahoning county bar, was solemnized by Dr. W. Carson Press, of the Evergreen Presby terian church at his study. The young people left during the afternoon for Cleveland. They will take a lake trip before returning to the city, where they will make their future home. Miss Lee is a popular young woman of superior attainments. She studied at the Oberlin Conservatory gust 2. of music and is an accomplished voalso well known in Youngstown and health. through the environing country.
